

When you donate to the Rialto, you enable us to further enhance and broaden our arts portfolio and educational programming; to maintain and expand the Rialto Series, featuring the best of national and international jazz, world music and dance; and to continue building our educational outreach to high-need public school students throughout Atlanta. With donor categories from \$1 to more than \$100,000, no amount is too small to contribute! We invite you to become part of the Rialto family, and with your gift, the Rialto will be able to bring the arts to more audiences, more classrooms and transform even more lives.
